DRAW

- Long-Go Round will be divided into “Rookie pen” and “Big pen” and will be drawn by contestant, if available, before start of event. Short-Go bulls for Winter Series will be determined by draft, with bull rider coming in first place choosing his bull first, etc. Top 5 ties will be determined by flip of coin to see who chooses their bull first. If more than 5 contestants qualify for Short Round, stock contractor will determine which Short Go bull(s) will go more than once, and bull’s name will be added a second time to the list of bulls, i.e. HIPPO#1, HIPPO#2, etc. Contestants pushing higher weight limit may not be able to ride smaller bulls at stock contractor’s discretion.

ROOKIE STATUS

A contestant may declare “rookie” status when entering an event and draw from the “rookie pen.”

- Rookies do compete for day money and day buckle when available.
- Points are earned just like standard point system which accumulated towards the series rookie buckle only. A rookie buckle may only be won one time. Points DO NOT count toward series end buckles, year end points, NWMBR Finals, PBR shows, etc.

SCORING

- Rerides shall be decided by the judges.
- Contestants shall not influence the judges by asking for a reride at any time.
- If re-ride is given, judge shall inform the contestant immediately of his marking and an option of a reride. Contestant may refuse his reride and take his marking.
- No re-ride shall be given due to faulty or broken equipment furnished by contestant.
- The contestant can take the same bull again (unless the bull is injured) or a pre-designated reride bull. If no re-ride bull is available, judge will draw back into the bulls for that round.

PAY-OFFS

- **Day Money.** \$30 from each \$50 entry fee will be put into jackpot. The amount of places paid will be determined by the amount of contestants entered in that event.
